

Title: Maintenance Planner
Location: Brisbane or Appin - Australia
Function: Global Planning
Details: Permanent Full Time

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

The Maintenance Planner will work with a global team of maintenance professionals to develop strategic asset management principles and deliver planning and scheduling that promotes reliability, efficiency and optimum performance for EDLs operating plant and equipment.

Key Responsibilities

- Work with key stakeholders and global teams to implement and maintain Group Asset Management Principles across the business.
- Work with maintenance teams to implement maintenance Schedules and promote a culture of continuous improvement.
- Provide planning and coordination activities that supports and enhances team efforts in corrective and preventative maintenance functions.
- Work with professionals to ensure latest strategies are in place for the planning & execution of compliance driven maintenance activities.
- Identify opportunities for continuous improvement, through safety, efficiency and relevant procedures, within the scope of work.
- Conduct all activities in compliance with health, safety and environmental standards, corporate goals and targets.

Qualifications and Experience

- Experience in a maintenance-planning environment.
- Experience in developing and implementing reliability and maintenance management systems.
- Experience in the operation and maintenance of a modern energy sector or process plant would be advantageous.
- Sound understanding and commitment to health safety and environmental requirements is essential.
- High level of computer literacy in particular MS office suite.
- Drivers licence essential.

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.

To apply, please send your current resume and cover letter to hrvacancies@edlenergy.com, quoting reference VAC0207.

Applications close Friday, 17 May 2019.
