

Title: Operator / Maintainer (Mechanical)
Location: Appin, New South Wales
Function: Clean Energy Operations
Details: Permanent Full-Time

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

Reporting to the Operations Supervisor WCMG NSW, this position is based at the NSW WCMG power stations (Appin/Tower and Tahmoor) and will be responsible for ensuring efficient operations of WCMG power stations within the NSW region.

Key Responsibilities

- Maintain and operate Caterpillar 3516 and Jenbacher J320s CMM gas reciprocating engines.
- Operate and maintain gas conditioning and associated ancillary plant and equipment.
- Operate advanced instrumentation and process control systems.
- Perform regular inspection and maintenance of above equipment to a high standard.
- Monitor the process to ensure optimum output.
- Carry out routine housekeeping duties.
- Utilise the Maintenance Management and Quality Assurance Systems as part of the daily functions.
- Actively ensure own health and safety and the health and safety of others through understanding and implementing workplace health and safety obligations.
- Support and comply with Company policies and procedures as advised and documented in the Company's employment policies as amended from time to time and as directed by Managers/Supervisors.
- Any other duties appropriate to the level and responsibility of the position as required.

Qualifications and Experience

- Mechanical trade or certificate qualifications
- Current drivers' licence
- Demonstrated ability to work unsupervised in remote environments
- Troubleshooting and basic fault-finding skills
- Strong working knowledge of power system and control circuitry
- Knowledge and understanding of process operations in power generation plants
- Demonstrated ability to work safely in a small team environment.
- Experience in operating and maintaining large reciprocating engines.
- First Aid Certificate desirable.

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.

To apply, please send your current resume and cover letter to hrvacancies@edlenergy.com, quoting reference VAC0210.

Applications close Friday, 28 June 2019.
