

**Title:** LFG Technician  
**Location:** NSW, Australia  
**Function:** Clean Energy Operations  
**Details:** Full Time Temporary

---

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

Reporting to the Gas Field Construction Supervisor, the LFG Technician will work as a member of a small multi-skilled team working a Monday to Friday roster. Travel from site to site will be required. This is a 12 month contract.

### **Key Responsibilities**

- Perform regular inspection and maintenance of gas extraction equipment and associated parts.
- Carryout tuning and balancing of landfill gas extraction system to optimise gas extraction.
- Utilise gas management program to analyse data.
- Undertake reporting, fault-finding and repairs.
- Improve the gas field monitoring system to ensure optimum output.
- Actively ensure own health and safety and the safety of others through understanding and implementing workplace health and safety obligations.
- Utilise the Maintenance Management and Quality Assurance Systems as part of the daily functions;
- Support and comply with Company policies and procedures as advised and documented in the Company's employment policies.
- In addition to the duties set out above, the Technician may be expected to perform other duties as assigned from time to time by the Company.

### **Qualifications and Experience**

- Mechanical/Plumbing trade or certificate qualifications preferred
- First aid certificate desirable.
- Current driver's license is essential.

*Experience in the following will also be an advantage*

- Landfill gas operations.
- Gasfield construction, monitoring, tuning and fault finding
- Civil contract works
- Drainage contract works
- Electrofusion welding

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.

To apply, please send your current resume and cover letter to [hrvacancies@edlenergy.com](mailto:hrvacancies@edlenergy.com), quoting reference VAC0213.

**Applications close Friday, 2 August 2019.**
