

**Title:** Operator / Maintainer (Electrical)  
**Location:** Victoria, Australia  
**Function:** CE Operations  
**Details:** Full Time Permanent

---

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

Reporting to the Operations Supervisor VIC LFG, the Operator / Maintainer is responsible for all aspects of operating and maintaining gasfields, gas plants and power plants at all Victorian Landfill Gas Power Stations.

### **Key Responsibilities**

- Operate gas fuelled power plant, 1000kW spark ignition engines, and all associated power generation equipment;
- Operate advanced instrumentation and process control systems;
- Perform regular inspection and maintenance of fixed plant, engines, gasfields and associated equipment;
- Undertake electrical and mechanical fault-finding, repairs and reporting;
- Monitor the process to ensure optimum output;
- Carry out routine housekeeping duties;
- Utilise the Maintenance Management and Quality Assurance Systems as part of the daily functions;
- Actively ensuring own health and safety and the safety of others through understanding and awareness of workplace health and safety obligations;
- Support and comply with Company Policies and procedures as advised and documented in the Company's employment policies as amended from time to time and as directed by Managers/Supervisors;
- Any other duties set appropriate to the level and responsibility of the position as required and assigned from time to time by the Company.

### **Qualifications and Experience**

- Experience in maintaining, fault finding and operating power generation equipment
- Electrical license (essential)
- First Aid certificate desirable
- Current drivers' licence is essential

*Experience in the following will also be an advantage*

- PLC programming and troubleshooting
- High voltage electrical
- Gas engine experience
- Call out duties and roster work

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.

To apply, please send your current resume and cover letter to [hrvacancies@edlenergy.com](mailto:hrvacancies@edlenergy.com), quoting reference VAC0218.

**Applications close Friday, 23 August 2019.**
