

Title: Operator / Maintainer (Electrical)
Location: New South Wales, Australia
Function: CE Operations
Details: Full Time Permanent

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

Reporting to the Operations Supervisor WCMG NSW, this position is located in Appin NSW and will be responsible for ensuring efficient operations of WCMG power stations. The roster will initially be working 45 hours per week, Monday to Friday with the final roster covering nightshift and weekends. Successful applicants must reside in the Appin or surrounding areas as accommodation and transport will not be provided.

Key Responsibilities

- Operating and maintaining gas fuelled engines and power generation equipment.
- Operating and maintaining associated ancillary plant equipment.
- Perform regular inspection and maintenance of above equipment to a high standard.
- Undertake electrical fault-finding, repairs and reporting.
- Operating and monitoring advanced instrumentation and process control systems.
- Carry out routine housekeeping duties.
- Monitoring the power station process to ensure optimum output and security of supply.

Qualifications and Experience

- Electrical trade or certificate qualifications.
- HV qualifications and experience.
- Current drivers licence.
- Basic computer skills.
- Demonstrated ability to work unsupervised in remote environments.
- Troubleshooting and basic fault finding skills.
- Strong working knowledge of power system and control circuitry.
- Knowledge and understanding of process operations in power generation plants.
- Demonstrated ability to work safely in a small team environment.

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.

To apply, please send your current resume and cover letter to hrvacancies@edlenergy.com, quoting reference VAC0226.

Applications close Wednesday, 27 November 2019.
