

Title: RNG Operator Technician
Location: Indianapolis, Indiana, United States
Function: NA Operations
Details: Permanent

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

The RNG Operator Technician has the opportunity to successfully operate the RNG (Renewable Natural Gas) plant. The team consists of a plant manager, maintenance supervisor, controls operator and three operating technicians. This role provides technical and operational support to plant operations. This position also has the opportunity to interact with the host landfill, regulatory agencies, and customers. The RNG Operator Technician will play a key role in achieving operational metrics for the facility.

Key Responsibilities

- Perform regular inspection and maintenance of gas compression, gas processing and filtration equipment to ensure safe and reliable operation
- Administrative duties including documenting and reporting equipment maintenance, operation, and condition.
- Perform fault-finding, repairs and reporting of gas, electrical and mechanical systems.
- Operation of advanced instrumentation and process control systems.
- Monitor the process to ensure optimum output
- Interface with well field (LFG) operations and the local natural gas utility

Qualifications and Experience

- Current driver's license with a good driving record.
- Maintenance, gas, mechanical or electrical experience and/or suitable background.
- Basic computer operation including the use of Microsoft Word and Excel.
- Ability to collect and interpret data.
- Effective communication skills both verbal and written.
- Analytical and trouble shooting skills in either mechanical and/or electrical systems.
- Ability to perform minor repairs.
- Ability to work autonomously in a multi-skilled work environment

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.
