

**Title:** Operations Supervisor  
**Location:** Bowen Basin, Australia  
**Function:** WCMG QLD  
**Roster:** 8 days on 6 days off

---

EDL owns and operates a global portfolio of power stations in Australia, North America and Europe. Our vision is to be the leading global producer of sustainable distributed energy. At EDL, we are playing a key role in the world's transition from traditional energy sources to decarbonised solutions.

Reporting to the Operations Manager, this role is to lead a multi-skilled team responsible for the operation and maintenance of the German Creek and Oaky Creek power stations based in the Bowen Basin

**Key responsibilities:**

- Lead and motivate a team of multi-skilled Operator/Maintainers involved in all aspects of maintaining the power plant at EDL's German Creek and Oaky Creek Power Stations
- Maintain maximum safe production.
- Organise and maintain training and associated records of all site personnel.
- Manage professional development of team members through PDRs, learning and development plans and performance improvement plans.
- Implement the WCMG customer management plan to exceed customer expectations.
- Interface with customers and suppliers to manage relationships in accordance with EDL's SPIRIT values.
- Maintain operational compliance with approvals, legislation and contracts.
- Deliver budgeted production targets for German Creek and Oaky Creek
- Manage downtime and maintenance in line with station asset management strategies.
- Manage critical and statutory maintenance in line with company policies and procedures.
- Utilise maintenance management system as part of daily function.
- Seek out incremental optimisation opportunities within existing assets.
- Develop and manage site budgets for direct, indirect and capital costs.
- Manage maintenance scheduling to optimise profitability.
- Maintain and control inventory and acquisitions in line with company policies and procedures.
- Support and comply with Company policies and procedures as advised and documented in the Company's employment policies as amended from time to time and as directed by Managers.
- In addition to the duties set out above, the Operations Supervisor may be expected to perform other duties as assigned from time to time by the Company appropriate to the level and responsibility of the position as required.

**Qualifications and Experience:**

- Experience in a similar position leading a team in a challenging environment.
- Sound understanding of health and safety, environmental and industrial relations.
- Experience in financial planning, budgeting and data analytics will also be advantageous.

EDL is committed to creating a diverse and inclusive environment and is proud to be an equal opportunity employer.

Successful applicants will be required to undergo medical and background screening prior to commencement with EDL.
